Subject: Zach at Interpaint

Hi Mary,

Last night, I went out for dinner and a few drinks with Zach McLane from Interpaint Calgary. In our meeting with him yesterday, we negotiated a price of CAD 24.70 per litre, but last night he kept saying he could halve that price if we let him take home a new Adventurer every year. He said we should leave it out of the annual production figures and sales reports – he kept referring to it as a “test drive”. I don’t really know what to make of this, but I thought I’d better let you know.

Cheers,
John
